Why I Quit - wallflower ====== teeja I think (and hope) that there's a crucial middle ground between "burn-out" and "suicide", and that's "I need to take a well-deserved break because I'm suffering from a serious mental problem". Note: that's not to say I've never had trouble with the work thing, but I've never _lost_ it - I've just taken far longer than needed to get back on track. ~~~ Tichy "burn-out" is the real problem, even if you don't realize it. It's like the worker who keeps on working because he feels so tired that he really can't afford to take a break. Q: SQL Server stored 2d92ce491b
