March 20, 2021 â€” Orphaned as a teenager, Jim Burden comes to live with his stern grandparents in their isolated home. Masterpieces of the Hermitage: Infinity. In this film, Burden plays Jim, a seventeen-year-old teenager who, along with his brother, moves to live with his grandparents, who live in a house that was once inhabited by people from the Burden family, who built this very house. Like many other houses in this film, this is a house with a history, and this story, first of all, is the story of relationships between family members. At the same time, Jim is the only child who was raised by his grandparents alone. fffad4f19a
