Ok, so he told me that he was reciting from the Koran and he's got a copy of the Koran. And I remember we did a video together and he told me to say the first words that came into my head and this was the first word that came into my head. It was the Urdu Urdu English Dictionary word **ଅନାନ୍ତ**. As in "There is no end to Allah". And he basically he said that he's got the latest copy of the Koran and the copy of the Koran that he gave me had it in it. Just to see the list of sites and stuff that you can find. There's about probably 15 different sites. And then another awesome one is, the comic book store, is almost like the Apple store for comics that you can find on the internet. Like, if you're looking for good versions, there's probably like a couple dozen different stuff where you can go and find it. Just to see the list of sites. And it's something that I've been working on for a while. I've been doing a lot of research and all the videos that I've done so far have been pre-recorded because my studio space is really small. And so, I'm just having to borrow a friend's living room for the past two weeks to be able to edit. But now, I have a nice, huge studio space that I can actually use, I'm very excited about that. So I'm actually just looking for someone to come in and help with the sound design because that's the easiest part because I've had a professional audio engineer take care of that. But I want to focus on the technology that goes into it, so I can create this system. FaceBook Download for PC Windows is the biggest social network that we all know.
